Dear Sir,

We beg to advise you that we have today despatched the out-standing order for 18 Feather Jigs which have been sent to Mr. Benister at Mombasa as per your instructions. To avoid delay we have sent by air mail and advised Mr. Benister.

We very much regret the long delay in forwarding these Feather Jigs and we would like to point out that we are not in any way to blame. As we previously advised you we had to cable to the U. S. A. for them and, unfortunately, they have been held up by our own English customs and we had great difficulty in getting them cleared, thus causing delay. /
